To the Nobility of Medinah Temple:

My dear Nobles:

The splendid and genuinely whole-hearted welcome accorded the officers and organizations at our September Ceremonial by more than six thousand of Medinah's Nobles is deeply gratifying and will long remain a pleasant memory.

The wonderful manner in which every detail of our Ceremonial was conducted is characteristic of the spirit and unity that prevails within our temple and is just that which has placed the great name of Medinah on the highest pinnacle in Shrinedom.

The first announcement in our fall entertainment program will be a lecture by Noble John R. Philp, who has recently returned from an extended trip to the "Land of the Midnight Sun" and will give a detailed account of his visit to the far North on Sunday afternoon, October 28th.

Medinah's Brass Band will give its concert on Sunday afternoon, November 4th.

The Oriental Band and Chanters on Sunday afternoon, November 18th. The enviable reputation of these organizations is too well known to require further comment at this time.

A matter of vital importance to Medinah's future welfare is the securing of a greater number of petitions and it is the earnest hope that each Noble will make an effort to secure at least one petition for our next Ceremonial.

Sincerely yours in the Faith,

Edward H. Thomas

Potentate

Sunday Lecture

A Cruise to the Polar Region

BY NOBLE JOHN R. PHILP

DOORS OPEN - - - 2:00 P.M.
MUSICAL PROGRAM - 2:15 P.M.
TRAVEL TALK - - - 3:00 P.M.

John R. Philp, our own travel lecturer, will present to the Nobility, their families and friends, his new and interesting travel talk on the wonders of a Polar Cruise, showing motion pictures and slides taken by him, and under his direction.

Sailing from New York on the *S. S. Columbus* of the North German Lloyd Lines, Mr. Philp landed first at Bremen, and then sailed on the *S. S. Stuttgart*, of the same line, for his voyage north, stopping at Iceland and Spitzbergen.

Mr. Philp experienced the novelty of continuous sunlight and from Kings Bay sailed north to the pack ice, reaching latitude 81 degrees, 11 minutes, the farthest point north ever made by a passenger steamer. Here he made an aeroplane flight north over the pack ice, photographing the polar bears and whales.

Returning by way of the North Cape, known as the "Land of the Midnight Sun," and the west coast of Norway. World travelers say there is nothing in Switzerland or in all Europe to equal the scenic beauty and grandeur enjoyed on this Polar Cruise.

WILLIAM SMITH BROWN

Imperial Treasurer A. A. O. N. N. S.

October 18th, 1849—September 8th, 1928

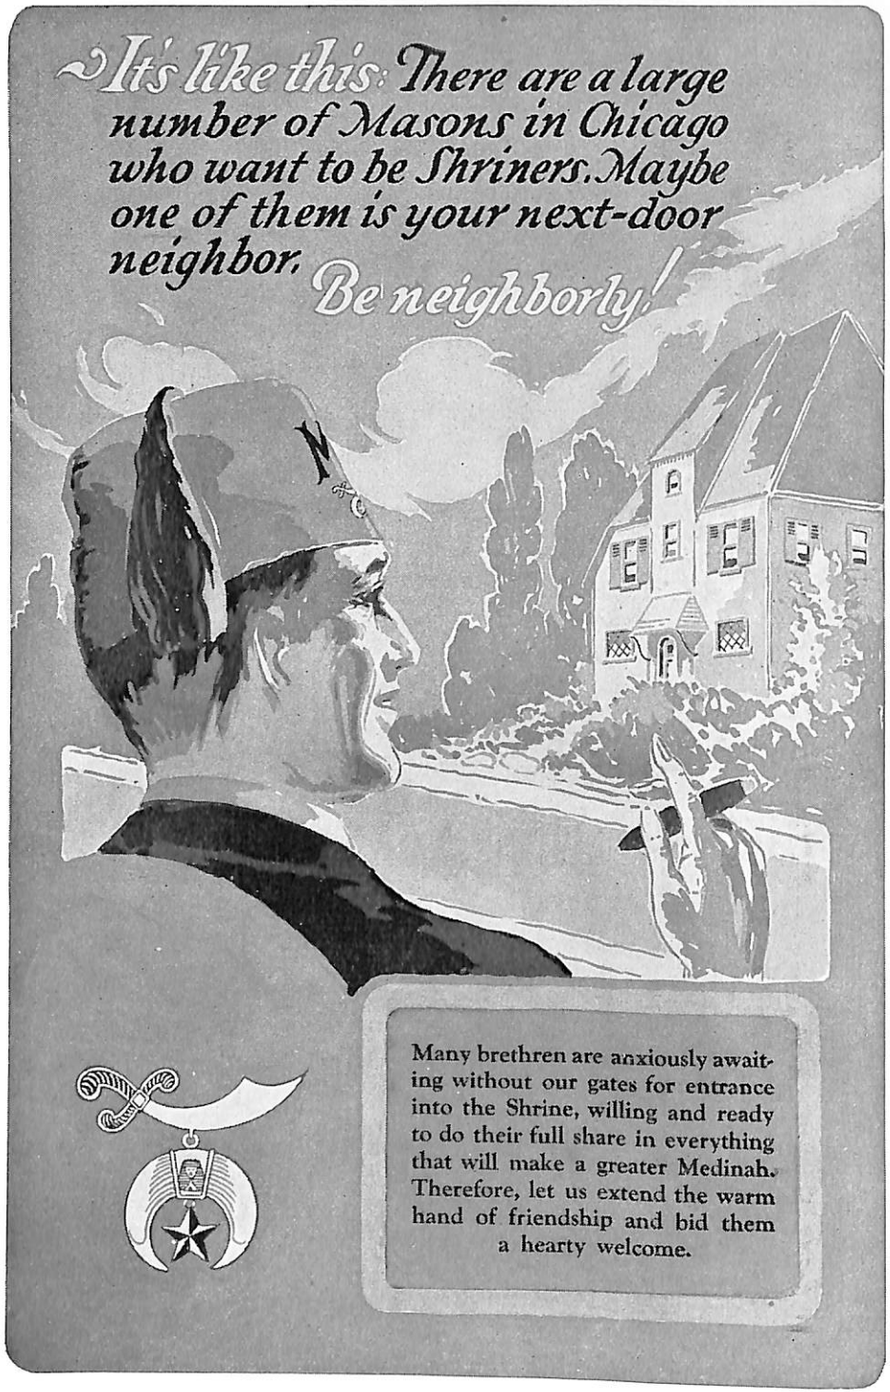
" 'Uncle Bill,' as he was affectionately known and loved among his friends, has passed on. He lived for his fellowman, he wrought good deeds, he spoke kind words, he spread the sunshine of good cheer, he labored to uplift mankind.

" 'Uncle Bill' has left us a heritage, the record of a life filled with inspiration and encouragement. Let us emulate his virtues and press forward to the mark of the prize of our high calling in Masonry, in the Shrine, and in all other things which make the world a sweeter, richer and happier place in which to live.

"The Masonic career of Illustrious Noble Brown was filled with achievement. He was made a Master Mason in Braddock Field Lodge No. 510, on February 24, 1877, and became its Master in 1882, and later served as Trustee for ten years. His Chapter activities were equally notable. He was exalted to the Degree of Royal Arch Mason, March 2, 1878, in Shiloh R. A. Chapter No. 257, and became its High Priest in 1887. Joining Tancred Commandery No. 48, Knights Templar, in June, 1878, he was elected its Eminent Commander in 1890, and later served as Treasurer and Trustee. He was a member of Pittsburgh Consistory of the Ancient Accepted Scottish Rite of the Northern Jurisdiction. His conspicuous service in the Scottish Rite Bodies won for him on September 20, 1903, the distinction of Sovereign Grand Inspector General in the Supreme Council, N. M. J. The Shrine record of Illustrious Noble Brown was particularly noteworthy. Joining Syria Temple, Pittsburgh, on June 6, 1883, he became Potentate in 1903, and served for two terms in this capacity. The Imperial Council recognized his talents early in his Shrine career, and in 1894, he was made Imperial Treasurer, where he served with signal ability for a period of thirty-five years. Illustrious Noble Brown was also Royal Director of the National Court, Royal Order of Jesters."



It's like this: There are a large number of Masons in Chicago who want to be Shriners. Maybe one of them is your next-door neighbor. Be neighborly!
Many brethren are anxiously awaiting without our gates for entrance into the Shrine, willing and ready to do their full share in everything that will make a greater Medinah. Therefore, let us extend the warm hand of friendship and bid them a hearty welcome.
